2. Introduction:

- 2.1 The Procuring Entity named in the Data Sheet will select a consulting firm/organization (the Consultant), in accordance with the method of selection specified in the Data Sheet.
- 2.2 The eligible Consultants are invited to submit a Technical Proposal and a Financial Proposal, as specified in the Data Sheet. The Proposal will be the basis for contract negotiations and ultimately for a signed contract with the selected Consultant.
- 2.3 Consultants should familiarize themselves with rules / conditions and take them into account while preparing their Proposals. Consultants may liaise with procuring Entity's representative named in the Data Sheet for gaining better insight into the assignment.
- 2.4 Consultants shall bear all costs associated with the preparation and submission of their proposals and contract negotiation. The Procuring Entity reserves the right to annul the selection process at any time prior to contract award, without thereby incurring any liability to the Consultants.
- 2.5 Procuring Entity may provide facilities and inputs as specified in Data Sheet.

3. Conflict of Interest

- 3.1.1 Consultants are required to provide professional, objective, and impartial advice and hold the Procuring Entity interest Paramount. They shall strictly avoid conflict with other assignments or their own corporate interest. Consultants have an obligation to disclose any situation of actual or potential conflict that impacts their capacity to serve the best interest of the Procuring Entity, or that may reasonably be perceived as having such effect. Failure to disclose said situations may lead to the disqualification of the Consultant or the termination of its Contract.
- 3.1.2 Without limitation on the generality of the foregoing, Consultants, and any of their affiliates, shall be considered to have a conflict of interest and shall not be recruited, under any of the circumstances set forth below:
 - (i) A consultant that has been engaged by the procuring entity to provide goods, works or services other than consulting services for a project, any of its affiliates, shall be disqualified from providing consulting services related to those goods, works or services. Conversely, a firm hired to provide consulting services for the preparation or implementation of a project, any of its affiliates, shall be disqualified from subsequently providing goods or works or services other than consulting services resulting from or directly related to the firm's consulting services for such preparation or implementation.
 - (ii) A Consultant (including its Personnel and Sub Consultants) or any of its affiliates shall not be hired for any assignment that, by its nature, may be in conflict with another assignment of the Consultant to be executed for the same or for another Procuring Entity.
 - (iii) A Consultant (including its Personnel and Sub-Consultants) that has a business or family relationship with a member of the Procuring Entity's staff who is directly or indirectly involved in any Part of (i) the preparation of the Terms of Reference of the Assignment, the selection process for such assignment, or (iii) supervisions of the Contract, may not be awarded a Contract, unless the conflict stemming from this relationship has been resolved.

Conflicting Relationship:

- 3.2 Government officials and civil servants may be hired as consultants only if:
- (i) They are on leave of absence without Pay;
 - (ii) They are not being hired by the Entity they were working for, six months prior to going on leave; and
 - (iii) Their employment would not give rise to any conflict of interest.

4. Fraud and Corruption:

It is Government's policy that Consultants under the contract(s), observe the highest standard of ethics during the procurement and execution of such contracts. In pursuit of this policy, the Procuring Entity follows the instructions contained in Khyber Pakhtunkhwa Public Procurement Rules 2014 which defines:

"Corrupt and fraudulent practices" includes the offering, giving, receiving, or soliciting, directly or indirectly of anything of value to influence the act of another Party for wrongful gain or any act or omission, including misrepresentation, that knowingly or recklessly misleads or attempt mislead a Party to obtain a financial or other benefit or to avoid an obligation;

Under Rule 44 of KPPRA 2014, "The PE can inter-alia blacklist Bidders found to be indulging in corrupt or fraudulent practices. Such barring action shall be duly publicized and communicated to the KPPRA. Provided that any supplier or contractor who is to be blacklisted shall be accorded adequate opportunity of being heard".

5. Integrity Pact:

Pursuant to section 16(2) & (3) of KPPRA Act 2012 Consultant undertakes to sign an Integrity Pact in accordance with prescribed format attached hereto (Annex- A).

6. Eligible Consultants:

Consultants qualifying the mandatory & technical criteria shall be considered as eligible consultants.

7. Eligibility of Sub-Consultant:

A shortlisted Consultant would not be allowed to associate with consultants who have failed to qualify the short-listing process (Applicable in case of EOI).

8. Only One Proposal:

Consultants may only submit one proposal. If a Consultant submits or participates in more than one proposal, such proposals shall be disqualified. Participation of the same Sub Consultant, including individual experts, in more than one proposal, is not allowed.

9. Proposal Validity:

9.1 The Data Sheet indicates Proposal's validity that shall not be more than 90 days in case of National Competitive Bidding (NCB) and 120 days in case of International Competitive Bidding (ICB). During this Period, Consultants shall maintain the availability of Professional staff nominated in the Proposal. The Procuring Entity will make its best effort to complete negotiations within this period. Should the need arise; however, the Procuring Entity may request Consultants to extend the validity period of their proposals. Consultants who agree to such extension shall confirm that they maintain the availability of the Professional staff nominated in the Proposal, or in their confirmation of extension of validity of the Proposal, Consultants may submit new staff in replacement, who would be considered in the final evaluation for contract award. Consultants who do not agree have the right to refuse to extend the validity of their Proposals.

10. Clarification and Amendment in RFP Documents:

- 10.1 Consultants may request for a clarification of contents of the bidding document in writing, and procuring Entity shall respond to such queries in writing within three calendar days, provided they are received at least eight calendar days prior to the date of opening of proposal. The procuring Entity shall communicate such response to all Parties who have obtained RFP document without identifying the source of inquiry. Should the PE deem it necessary to amend the RFP as a result of a clarification, it shall do so.
- 10.2 The Procuring Entity may amend the RFP five days before the closing date by issuing an addendum/ corrigendum in writing. The addendum shall be sent to all Consultants and will be binding on them. Consultants shall acknowledge receipt of all amendments. To give Consultants reasonable time in which to take an amendment into account in their Proposals the Procuring Entity may, if the amendment is substantial, extend the deadline for the submission of Proposals.

11. Preparation of Proposals

- 11.1 In preparing their Proposal, Consultants are expected to examine in detail the documents comprising the RFP. Material deficiencies (deviation from scope, experience, and qualification of Personnel) in providing the information requested may result in rejection of a Proposal.

12. Language

The Proposal as well as all related correspondence exchanged by the Consultants and the Procuring Entity shall be written in English. However, it is desirable that the firm's Personnel have a working knowledge of the national and regional languages of Islamic Republic of Pakistan.

13. Technical Proposal Format and Content

- 13.1 While preparing the Technical Proposal, consultants must give Particular attention to the following:
- (i) If a consultant considers that it does not have all the expertise for the assignment, it may obtain a full range of expertise by associating with individual consultant(s) and/or other firms or entities in a joint venture or sub-Consultancy, as appropriate. The international consultants are encouraged to seek the Participation of local consultants by entering into a joint venture with, or subcontracting Part of the assignment to, national consultants.
 - (ii) It is desirable that the majority of the key professional staff proposed be Permanent employees of the firm or have an extended and stable working relationship with it.
 - (iii) Proposed professional staff must, at a minimum, have the experience indicated in the TOR, preferably working under similar geographical condition.
 - (iv) Alternative professional staff shall not be proposed, and only one curriculum vitae (CV) shall be submitted for each position.
- 13.2 The Technical Proposal shall provide the following information using the attached Standard Forms (Section 3):
- (i) A brief description of the consultant organization and an outline of recent experience on assignments of a similar nature. For each assignment, the outline should indicate, *inter alia*, the profiles of the staff, duration of the assignment, contract amount, and firm's involvement.
 - (ii) The list of the proposed staff team by specialty, the tasks that would be assigned to each staff team member, and their timing (Section 3).
 - (iii) CVs of the proposed professional staff and the authorized representative

submitting the proposal. Key information should include number of years working for the consultant and degree of responsibility held in various assignments during the last 5 (five years).

- (iv) Estimates of the total staff input (professional and support staff; staff time) needed to carry out the assignment, supported by bar chart diagrams showing the time proposed for each professional staff team member.
- (v) A detailed description of the proposed methodology, work plan for performing the assignment, staffing, and monitoring of training, if the Data Sheet pacifies training as a major component of the assignment.
- (vi) Any additional information requested in the Data Sheet.

13.3. The Technical Proposal shall not include any financial information.

14. Financial Proposals

14.1 The Financial Proposal shall be prepared using the attached Standard Forms (Section 4). It shall list all costs associated with the assignment. Alternatively, Consultant may provide their own list of cost. If appropriate, these costs should be broken down by activity. All activities and items described in the Technical Proposal must be priced separately; activities and items described in the Technical Proposal but not priced, shall be assumed to be included in the prices of other activities or items. All the cost shall include government applicable taxes.

15. Taxes:

15.1 The Consultant will be subject to all admissible taxes including stamp duty and service charges at a rate prevailing on the date of contract agreement unless exempted by relevant tax authority.

16. Submission, Receipt, and Opening of Proposals

- 16.1 Proposal shall contain no interlineations or overwriting. Submission letters for both Technical and Financial Proposals should respectively be in the format of TECH-1 of Section 3, and FIN-1 of Section 4. All Pages of the original Technical and Financial Proposals will be initialed by an authorized representative of the Consultants. The authorization shall be in the form of a written power of attorney accompanying the Proposal
- 16.2 All required copies of the Technical Proposal are to be made from the original. If there are discrepancies between the original and the copies of the Technical Proposal, the original governs.
- 16.3 The original and all copies of the Technical Proposal shall be placed in a sealed envelope clearly marked "Technical Proposal" Similarly, the original Financial Proposal shall be placed in a sealed envelope clearly marked "Financial Proposal" followed by name of the assignment, and with a warning "**Do Not Open With The Technical Proposal** " If the Financial Proposal is not submitted in a separate sealed envelope duly marked as indicated above, this will constitute grounds for declaring the Proposal non-responsive.
- 16.4 The Proposals must be sent to the address indicated in the Data Sheet and received by the PE no later than the time and the date indicated in the Data Sheet, or any extension to this date. Any proposal received by the PE after the deadline for submission shall be returned unopened. In order to avoid any delay arising from the postal or PE's internal dispatch workings, Consultants should ensure that proposals to be sent through couriers should reach a day before the deadline for submission.

17. Proposal Evaluation:

17.1 From the time the Proposals are opened to the time the contract is awarded, the Consultants should not contact the PE on any matter related to its Technical and/or Financial Proposal. Any effort by consultants to influence the PE in the examination,

evaluation, ranking of Proposals, and recommendation for the award of contract may result in the rejection of the Consultants' Proposal.

Evaluators of Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded.

18. Evaluation of Technical Proposals

- 18.1 The evaluation committee shall evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference, applying the evaluation criteria, sub-criteria, and point system specified in the TOR. Each responsive Proposal will be given a technical score (St). A Proposal shall be rejected at this stage if it fails to achieve the minimum technical score indicated in the Data Sheet.
- 18.2 After the technical evaluation is completed, the PE shall notify in writing Consultants that have secured the minimum qualifying marks, the date, time, and location, allowing a reasonable time, for opening the Financial Proposals. Consultants' attendance at the opening of Financial Proposals is optional.

Financial proposals of those consultants who failed to secure minimum qualifying marks shall be returned unopened.

19. Evaluation of Financial Proposal

- 19.1 Financial Proposals shall be opened publicly in the presence of the Consultants' representatives who choose to attend. The name of the Consultants and the technical scores of the Consultants shall be read aloud. The Financial Proposal of the Consultants who met the minimum qualifying marks will then be inspected to confirm that they have remained sealed and unopened. These Financial Proposals shall be then opened, and the total prices read aloud and recorded. Copy of the record shall be sent to all Consultants.
- 19.2 The Evaluation Committee will correct any computational errors. When correcting computational errors, in case of discrepancy between a Partial amount and the total amount, or between word and figures the formers will prevail. In addition to the above corrections, activities and items described in the Technical Proposal but not priced, shall be assumed to be included in the prices of other activities or items.
- 19.3 In case of Quality and Cost Based Selection QCBS Method the lowest evaluated Financial Proposal (Fm) will be given the maximum financial score (Sf) of 100 points. The financial scores (Sf) of the other Financial Proposals will be computed as indicated in the TOR. Proposals will be ranked according to their combined technical (St) and financial (Sf) scores using the weights (T = the weight given to the Technical Proposal; P = the weight given to the Financial Proposal; T + P = 1) indicated in the Data Sheet: $S = St \times T\% + Sf \times P\%$. The firm achieving the highest combined technical and financial score will be invited for negotiations.

20. Negotiations

- 20.1 Negotiations will be held at the date and address which will be communicated to the consultant. The invited Consultant will, as a pre-requisite for attendance at the negotiations, confirm availability of all Professional staff. Failure in satisfying such requirements may result in the PE proceeding to negotiate with the next-ranked Consultant. Representatives conducting negotiations on behalf of the Consultant must have written authority to negotiate and conclude a Contract.

21. Technical Negotiations:

- 21.1 Technical Negotiations will include a discussion of the Technical Proposal, the proposed technical approach and methodology, work plan, organization and staffing, and any

suggestions made by the Consultant to improve the Terms of Reference. The PE and the Consultants will finalize the Terms of Reference, staffing schedule, work schedule, logistics, and reporting. These documents will then be incorporated in the Contract as "Description of Services". Minutes of negotiations, which will be signed by the PE and the Consultant, will become Part of Contract Agreement.

22. Financial Negotiations:

- 22.1 If applicable, it is the responsibility of the Consultant, before starting financial negotiations, to contact the local tax authorities to determine the tax amount to be paid by the Consultant under the Contract. The financial negotiations will include a clarification (if any) of the firm's tax liability, and the manner in which it will be reflected in the Contract; and will reflect the agreed technical modifications in the cost of the services. Consultants will provide the PE with the information on remuneration rates described in the Appendix attached to Section 4 (i.e. Financial Proposal - Standard Forms of this RFP.

23. Availability of Professional staff/experts:

- 23.1 Having selected the Consultant on the basis of, among other things, an evaluation of proposed Professional staff, the PE expects to negotiate a Contract on the basis of the Professional staff named in the Proposal. Before contract negotiations, the PE will require assurances that the Professional staff will be actually available. The PE will not consider substitutions during contract negotiations unless both Parties agree that undue delay in the selection process makes such substitution unavoidable or for reasons such as death or medical incapacity. If this is not the case and if it is established that Professional staff were offered in the proposal without confirming their availability, the Consultant may be disqualified. Any proposed substitute shall have equivalent or better qualifications and experience than the original candidate and be submitted by the Consultant within the period of time specified in the letter of invitation to negotiate.

24. Award of Contract:

- 24.1 After completing negotiations, the Procuring Entity shall award the Contract to the selected Consultant within seven days after letter of acceptance or award has been issued. Procuring Entity shall publish on the website of the Authority and on its own website, if such a website exists, the result of the bidding process, identifying the bid through procuring identifying number, if any and the following information, evaluation report, form of contract and letter of award, bill of quantity or schedule of requirement, as the case may be. However, the procuring entity shall announce the final results of a bid evaluation giving justifications for acceptance or rejection of bids at least ten days prior to the award of a contract and place the same on its and authority website.
- 24.2 After publishing of award of contract consultant required to submit a Performance security at the rate indicated in data sheet.
- 24.3 The Consultant is expected to commence the assignment on the date and at the location specified in the Data Sheet.

25. Confidentiality:

Information relating to evaluation of Proposals and recommendations concerning awards shall not be disclosed to the Consultants who submitted the Proposals or to other Persons not officially concerned with the process, until the publication of the award of Contract. The undue use by any Consultant of confidential information related to the process may result in the rejection of its Proposal.

SECTION-05: TERMS OF REFERENCE (TOR)

**HIRING OF HR OUTSOURCING FIRM(S) FOR THE PROVISION OF SKILLED IT RESOURCES UNDER
FRAMEWORK AGREEMENT.**

1: PROJECT BACKGROUND:

Khyber Pakhtunkhwa Information Technology Board is a public sector autonomous organization established under the Khyber Pakhtunkhwa Establishment of Information Technology Board Act, 2011 for promotion, planning and execution of the Information and Communication Technology, Information and Communication Technology enabled services and education for public and private sectors of the Province of the Khyber Pakhtunkhwa. The main objective of the establishment of KPITB is to capitalize on the development of IT sector of Khyber Pakhtunkhwa.

KPITB will provide Technical Support to all Government Departments and its attached formation of Khyber Pakhtunkhwa in terms of the development of new Software and Websites and customization of already developed software, needed on an urgent basis. It is pertinent to mention that there is no such IT Facilitation Center established at Khyber Pakhtunkhwa which can facilitate the government departments and its attached formation in terms of small-scale software development and customization of the existing software. Therefore, various government departments, directorates, and autonomous organizations are approaching KPITB for specific software that usually requires one or two software developers on a short-term basis.

KPITB is in the process of implementation of different ADP and Non-ADP project in the province and for the execution of these projects, KPITB intends to sign a framework agreement with the best evaluated firm(s)/ Service Provider(s) for provision of skilled IT human resources on need basis under the framework agreement.

2: SCOPE OF WORK:

The scope of the work will include, but is not limited to the following:

- 2.1. Framework agreements will be established with the best evaluated bidder(s). Upon the need for IT resources, KPITB will request selected firms to submit at least three (03) CVs for the required positions within one week time. An evaluation process will follow, where candidates will be assessed based on their education, experience, and performance in interviews. The resource(s) will then be selected, and a service order will be issued to the respective firm for the provision of the best evaluated resource(s).
- 2.2. Upon request, the selected firms must submit at least three (03) CVs of the resources fulfilling the minimum qualification and experience criteria as mentioned in the table 2.1 below.
- 2.3. The framework agreements signed with the selected bidders may be used for all ADP and Non-ADP projects of the KPITB and the selected bidder will be bound to provide resources within the agreed unit cost.
- 2.4. If at any time and at its sole discretion, KPITB determines that the performance of the provided resources is not satisfactory or unavailable due to unforeseen situation, KPITB will notify the firm in writing and respective firm shall immediately withdraw such resource and the KPITB will inform the firm to provide CVs for the subject vacant position within a week time and after formal interview, the selected service provider shall provide the resources within one (01) week time.

2.5. The selected service providers shall provide the following skilled human resources on need basis for a period of one year under the framework agreement as per the following minimum eligibility criteria.

Annual increase **at the rate 10%** for each extended year shall be given, subject to availability of fund and authority approval.

5: PROPOSALS EVALUATION CRITERIA

The scope of the bid consists of three LOTs based on the need, nature of services and expertise, one bidder can apply for a single lot only.

Under the KPPRA rules for Quality and Cost Based Selection procedures all bidders are required to submit only their technical proposals and financial proposals online via EPADS.

Method of Selection: Quality & Cost Based Selection (QCBS) System (i.e., Technical=70%, Financial=30%)

The evaluation process will follow three stages:

1. **Mandatory Evaluation:** In the first stage, all bids will be evaluated against the Mandatory Evaluation Criteria. Bidders who fail to meet these mandatory requirements will be disqualified and shall be considered as non-responsive.
2. **Technical Evaluation:** In the second stage, the bids of those who passed the Mandatory Evaluation will be assessed based on the Technical Evaluation Criteria. The evaluation committee shall evaluate the Technical Proposals based on their responsiveness to the Terms of Reference, applying the evaluation criteria, sub-criteria, and point system specified above. Each responsive Proposal will be given a technical score (St). Bidders **scoring 50 or more out of 100** points will be considered technically qualified.
3. **Financial Evaluation:** Financial proposals of those consultants who failed to secure minimum qualifying marks in the technical evaluation shall be returned un-opened. The lowest evaluated Financial Proposal will be given the maximum financial score (Sf) of 100 points. The financial scores (Sf) of the other Financial Proposals will be computed as follows: -
 - a) Value quoted by lowest bidder = A
 - b) Value quoted by second-lowest bidder = B
 - c) Value quoted by third lowest bidder = C; and so on.
 - d) Financial scoring of the lowest bidder will be = 100
 - e) Financial scoring of the second-lowest bidder will be= $(A/B) \times 100$ Financial scoring of the third lowest bidder will be = $(A/C) \times 100$; and so on.

Award of Contract: (Contract will be awarded to the Best Evaluated Bid). After Technical and Financial Evaluation, the contract shall be awarded to the consultant with the best-evaluated bid, i.e., the bid with highest accumulative technical and financial score, wherein, proposals will be ranked according to their combined technical (St) and financial (Sf) scores using the weights (T = 70%, the weight given to the Technical Proposal; F = 30%, the weight given to the Financial Proposal; T + F = 1) indicated as: $S = St \times T\% + Sf \times F\%$. The bidder achieving the highest

combined technical and financial score shall be declared as the winning bidder and shall be awarded the contract.

After selection of service providers and signing of contract, when IT resources are required, a request for the submission of CVs will be sent to bidders. The submitted CVs will be reviewed and interviews will be conducted with the proposed resources. The best candidate will be selected based on their qualifications, experience, and interview performance. A Service Order will subsequently be issued to the selected service provider for the provision of the chosen resource(s).

5.1: MANDATORY ELIGIBILITY CRITERIA

The consultant firm shall qualify the following mandatory eligibility criteria and shall upload the following documentary evidence on E-PADS.

S. No	Mandatory Criteria	Documentary Evidence
1	The Service Provider shall be registered as a firm/company with SECP/Registrar of Firm with minimum 05 years of existence.	Registration/Incorporation Certificate
